DARK SKY TOURISM AUSTRALIA

AFTER DARK

Experiences Worth Staying Up For

12 IDEAS TO TURN THE NIGHT INTO A REASON TO STAY

01 Embers & Eternity

Fireside chats, local stories and big questions.

BEST FOR Lodges / campsites
NEEDS Host, seating, safe fire setup

02 Afterglow

Glow-in-the-dark art and night-inspired creativity.

BEST FOR Galleries / resorts
NEEDS Artist, materials, indoor lighting

03 By the Light of the Moon

Guided walks in moonlight and natural shadows.

BEST FOR Parks / nature guides
NEEDS Safe route, trained guide

04 Stretch into the Stars

Twilight yoga, breathing and relaxation.

BEST FOR Retreats / lodges
NEEDS Instructor, mats, level ground

05 The Sound of Silence

Mindful listening and immersion in darkness.

BEST FOR Retreats / parks
NEEDS Quiet site, accessible setting

06 Between Light & Dark

Twilight photography, poetry and painting.

BEST FOR Creative operators
NEEDS Facilitator, simple materials

07 A Thousand Stars, One Table

Local-food dining and stories beneath the stars.

BEST FOR Restaurants / lodges
NEEDS Catering, seating, weather plan

08 When the Wild Wakes

Wildlife walks, animal calls and night ecology.

BEST FOR Parks / eco-lodges
NEEDS Wildlife guide, safe practices

09 Chasing the Night

A night-time marathon under the stars.

BEST FOR Events / destinations
NEEDS Marked course, permits, first aid

10 Moths & Moonlight

Nocturnal pollinators and the world of insects.

BEST FOR Parks / schools
NEEDS Nature guide, gentle observation

11 The Night Revealed

Constellations, sky stories and astronomy.

BEST FOR All operators
NEEDS Sky guide; telescope optional

12 Five Minutes After Dark

Short stories, poetry and local voices.

BEST FOR Festivals / venues
NEEDS Host, speakers, seating

START SIMPLE. Use your place, your people and your stories - no telescope required.

THE GOLDEN RULE **Right light. Right purpose. Right time.**

Training | Experience design | Lighting advice | Partnerships | Eclipse readiness
