DARK SKY TOURISM OPPORTUNITIES

Creating memorable experiences under the night sky

From dark sky lodging and astronomy to culture, wildlife and wellness, night-time experiences can help visitors stay longer, connect more deeply and remember a place in a whole new way.

WHAT COULD YOU OFFER?

Dark Sky Lodging

Accommodation designed for night-sky viewing, comfort and low-impact lighting.

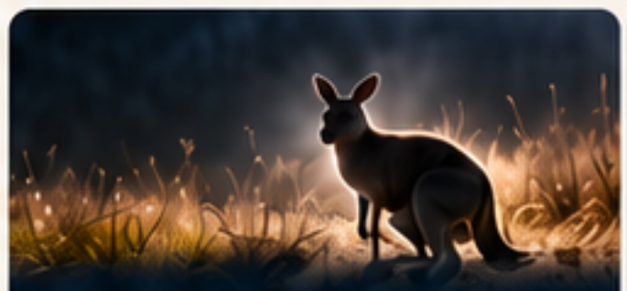

Astronomy Experiences

Stargazing, telescope sessions, astrophotography and guided night-sky interpretation.

Cultural Night Experiences

Stories, knowledge and place-based experiences shared respectfully with Traditional Owners and local communities.

Wildlife After Dark

Nocturnal wildlife walks, listening experiences and nature-based night tours.

Full Moon Experiences

Moonrise dinners, full moon walks and special events linked to lunar cycles.

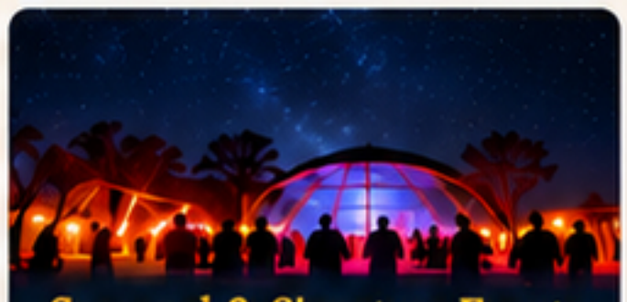

Yoga & Wellness

Outdoor yoga, meditation, breathwork and stillness under the stars.

Health & Wellbeing

Experiences that encourage rest, connection, awe and time away from bright, busy places.

Seasonal & Signature Events

Dark sky festivals, night programs and special events that bring communities together.

WHY IT MATTERS

- Encourages longer stays and shoulder-season visitation
- Adds value to existing nature, culture and accommodation products
- Supports regional identity and place-based storytelling
- Creates low-impact, memorable experiences
- Helps visitors reconnect with nature, community and the night

START SIMPLE

- Audit your night-time environment
- Improve lighting and reduce glare
- Find safe viewing spaces
- Work with local partners and guides
- Build experiences that suit your place
